Come join us for the annual “I Don’t Need A Meeting Meeting” annual Spaghetti Feed that is sure to be a divine evening overflowing with fellowship, fun, and meaningful connections. This year we’re excited to gather for a night filled with inspiring AA and Alanon speakers, supportive conversations, raffle items, sobriety countdown, and, of course, delicious spaghetti. Whether you’re new to recovery or have been on this journey for a while, this event is a wonderful opportunity to strengthen our community and enjoy each other’s company. We look forward to seeing you there for a night of shared experience, strength, and hope as we together celebrate our journeys.
